School Ratings

Dallas - Fort Worth Area

2014 TEXAS EDUCATION AGENCY
School Accountability Ratings

Texas State Accountability Ratings are issued to each school district and campus by the Texas Education Agency Division of Performance Reporting. The ratings are: **Met Standard**, **Improvement Required**, or **Not Rated**.

The **Met Alternative Standard** rating is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.

The ratings are based on a system that uses various indicators to provide greater detail on the performance of a district or charter and individual campuses throughout the state. The performance index framework includes four areas:

- Student Achievement** - Provides a snapshot of performance across all subjects.
- Student Progress** - Measures year-to-year student progress by subject and student group.
- Closing Performance Gaps** - Tracks advanced academic achievement of economically disadvantaged students and the lowest performing racial/ethnic student groups.
- Postsecondary Readiness** - Emphasizes the importance of earning a high school diploma that provides students with the foundation necessary for success in college, the workforce, job training programs, or the military.

Campuses that receive an accountability rating of **Met Standard** are also eligible for distinction designations. Distinction designations are awarded to campuses based on achievement in several performance indicators relative to a group of campuses of similar type, size, and student demographics. Distinction designations can be earned by campuses in the following areas:

- **Academic Achievement in Reading/English Language Arts;**
- **Academic Achievement in Mathematics;**
- **Academic Achievement in Science;**
- **Academic Achievement in Social Studies;**
- **Top 25 Percent: Student Progress;**
- **Top 25 Percent: Closing Performance Gaps; and**
- **Postsecondary Readiness.**

In addition, districts and charters are eligible to receive a distinctions designation for postsecondary readiness. Postsecondary readiness is the only distinction at the district level.

RATINGS LEGEND

M	Met Standard
A	Met Alternative Standard
I	Improvement Required
X or Z	Not Rated

DISTINCTION DESIGNATIONS

PROGRESS	Top 25 Percent: Student Progress
GAP	Top 25 Percent: Closing Performance Gaps
READ	Academic Achievement in Reading/English Language Arts
MATH	Academic Achievement in Mathematics
SCIENCE	Academic Achievement in Science
SOCIAL	Academic Achievement in Social Studies
POST	Postsecondary Readiness
